THE HISTORY OF THE DURHAM COAL MINE COMMUNITY

A PROGRAM PRESENTED BY DOUG CARSON
OF THE WALKER COUNTY HISTORICAL SOCIETY

While the mines were primarily in Walker County, they are tied to Dade County history in innumerable ways—but what we most remember is the labors of many of our ancestors at those mines and the services they provided to the community. So many local family names are associated with Durham that we still hold dear, the stories we've been told.

Cloudland Canyon State Park

"Rangers: Guardians of a Changing Planet"

On World Ranger Day, we honour the extraordinary courage, commitment, and sacrifice of rangers across the globe - those who stand on the front lines protecting our natural and cultural heritage.

This year's theme recognises that rangers are working in a world defined by rapid and complex change. We will be offering two hikes on this day to celebrate Rangers everywhere!

10:00 AM = Bear Creek Hike
This two mile hike goes down to the ford at Bear Creek. Be advised that the return trip is one of the most strenuous hikes in the park!
Duration = 2 hrs.

1:00 PM = Meadowlands Hike
This easy two mile round trip hike goes along the Overlook Trail to the Meadowlands, where we'll identify what midsummer flowers might be blooming there.
Duration = 2 hrs.
