RETIREMENT FUNDS FOR THE SELF-EMPLOYED:

A Complete Guide

[Click here
for More](#)

You work hard for your business—make sure your retirement works just as hard for you.

Whether you're a freelancer, independent contractor, sole proprietor, or small business owner, there are several tax-advantaged retirement plans designed specifically for self-employed individuals. Choosing the right one can help you reduce taxes today while building long-term financial security.

YOUR RETIREMENT OPTIONS

SOLO 401(k)

Best for: Self-employed individuals with no employees (other than a spouse)

- High contribution limits
- Traditional and Roth options
- Employer & employee contributions
- Potential loan feature

SEP IRA

Best for: Business owners wanting a simple, flexible plan

- Easy to establish and maintain
- Flexible annual contributions
- Tax-deductible contributions
- Great for fluctuating income

TRADITIONAL IRA

- Tax-deferred growth
- Possible tax deduction
- Ideal supplement to other retirement plans

ROTH IRA

- Tax-free qualified withdrawals
- Contributions made with after-tax dollars
- Great for long-term tax-free growth (subject to income eligibility)

WHY START NOW?

- Reduce taxable income
- Grow investments tax-advantaged
- Build financial independence
- Prepare for retirement on your own terms
- Give yourself the same retirement benefits many employees receive

WHICH PLAN IS RIGHT FOR YOU?

IF YOU ARE...	CONSIDER...
 Freelancer or Independent Contractor	Solo 401(k) or SEP IRA
 Sole Proprietor	Solo 401(k), SEP IRA, Traditional or Roth IRA
 Small Business Owner with Employees	SEP IRA or SIMPLE IRA
 High Earner	Solo 401(k) or SEP IRA

BEFORE YOU DECIDE

Every business is different. Your ideal retirement strategy depends on:

- Income
- Business structure
- Whether you have employees
- Tax goals
- Retirement timeline

Consult a qualified financial advisor or tax professional to determine which retirement plan best fits your situation.

INVEST IN YOUR FUTURE TODAY.

The best time to start saving for retirement was yesterday. The second-best time is today.

Take control of your future and enjoy the freedom and security you've worked so hard to build.

See below how the Small Business Development Center Helps Businesses

From push mower to a growing enterprise with help from the UGA SBDC

From a \$30 push mower to a thriving, full-service landscaping company, Griffin Thomas has spent more than a decade building TopLine Lawncare and Landscaping one yard, one crew and one lesson at a time.

With guidance from the University of Georgia Small Business Development Center

(UGA SBDC) Thomas turned a major expansion opportunity into a strong foundation for long-term growth—a move that fueled his company's rapid growth and earned him the U.S. Small Business Administration's 2026 Georgia Young Entrepreneur of the Year.

Thomas' journey into landscaping started early. At 14, he began helping a neighbor maintain his farm, learning the value of hard work and responsibility.
