WORKSHOP

BAMBOOZLED:

TO DECEIVE BY UNDERHANDED METHODS: DUPE, HOODWINK OR TRICK

What if some of what you've been told about your health isn't the full story?

What if your body was designed for more than just "getting by"?

When it comes to your health, you've been bamboozled, stuck in a "sick care" system that monetizes disease instead of preventing it.

At our Bamboozled workshop, we will uncover the most common lies that are holding you back, including:

You must crush a fever immediately, or you're being reckless

Every woman needs hormone replacement to get through menopause

If it's FDA-approved, it's completely safe—end of story.

Flu shots are safe and effective

Georgia State Parks & Historic Sites

In celebration of the 250th birthday of our great nation, we are offering a series of programs on July fourth and throughout the rest of the year highlighting Monumental Moments in our nation's and our park's history.

Duration = 1 hr. July 4 & 22 10:00 AM

Rations and Resilience: Foraging the Revolution
Join a park Naturalist at the Interpretive Center for a presentation about the Revolutionary War, rationing of supplies and accounts of wild plants foraged for food on the battlefield. After the presentation head into the field to identify some common edible plants found in the park that were likely foraged by soldiers. Duration = 1.5 hrs. July 4 12:00 PM

Frontier Skills at the Canyon Rim
Join a Naturalist at the Interpretive Center to learn a variety of frontier skills.
