announcing: **Sittons Cave** Wild Cave Adventures! at Cloudland Canyon State Park

Cloudland Canyon State Park offers a limited schedule of Wild Cave Tours into Sittons Cave in the bottom of the canyon in April, June, July, September, and October. All visits to the caves in the park are suspended from November 1 to April 1 every year to protect the endangered hibernating bats that use the caves.

We only have three dates available for tours in April, but there will be more in June and July. That schedule will be published in early May. Here are the available dates for April:
April 19, 20, and 26

These 2 - 2 1/2 hour long Ranger-led programs will take you crawling in the mud, scrambling over rocks, encountering strange creatures and (possibly) wading through a subterranean stream as you explore the fascinating world underground!

* You must pre-register for these trips by calling the park office at: 706-657-4050. Group size is limited to eight participants aged 10 and older. \$45.00 per person. Call now to reserve your place, and for more information!

* All necessary gear will be provided. Tours begin at 9:30 AM on each scheduled day.
