MAKE THIS EASTER ONE TO REMEMBER

As members of BETA Club, we believe in leadership through service. This Easter project allows our students to give back to the community while learning responsibility, teamwork, and time management. By supporting this fundraiser, you're not only creating a memorable holiday moment for your family — you're also directly supporting student leadership, service projects, and future opportunities for our club. It's a win for your Easter morning and for local students.

Dade County High School wants to be proactive this spring by getting involved with our community's Easter.
