CALL TO ORDER AND ROUTINE MOTIONS	
Call to Order	By George Williams at 6:02 pm
Invocation	George Williams
Motion to dispense with the reading of and Approve the Meeting Minutes of June 7, 2022	Moved by Marcy Williams Seconded by Jane Dixon All Board Directors present approved
Motion to approve the Financial Reports.	Moved by John Rollins Seconded by Stacey Prater All Board Directors present approved

FINANCIAL REPORT

In Harry's absence, Marcy covered the Financials, noting that the Alliance has received 11 months of Hotel-Motel Tax TCT (Tourism, Conventions & Trade Shows) and TPD (Tourism Product Development) funds from the county totaling \$216,226. These funds are restricted to certain uses.

As a result, our current bank account at Citizen's Bank & Trust is greater than the FDIC insured limit of \$250,000. Harry is recommending that we open a second bank account at Bank of Dade (an Alliance investor), using one of the accounts for day-to-day operations and the other as a holding account.

Marcy made a motion, seconded by Stacey Prater, that the board approve the establishment of a second bank account, and that Harry Abell (Treasurer), George Williams (Board Chair), and Marcy Williams (Secretary) be named as signatories on the account. All board directors present approved, and the secretary will prepare a Certified Resolution to provide to the Bank of Dade.

Chair George Williams noted that in future, he would like to see a report of TCT and TPD funds received, broken out by City of Trenton and Dade County.

COMMITTEE REPORTS

TREASURER – Harry Abell

Not present – sent in writing prior to the meeting

Hotel / Motel Tax: We have received two very large deposits. George and Marcy will provide more details.

FDIC: Since we now have more money than covered by Federal Deposit Insurance another bank account will be opened and a portion of the money transferred to that account. The Bank of Dade may be the selection. More information will be shared when this is completed.

National Bank: The National Bank has refunded charges that were not for our level of service (communications between me and them was not clear enough, in my opinion, to understand all the charges).

Authorize.net: is the “gateway” we use to process credit and debit cards. I had signed up for electronic checks but learned afterwards that there is a minimum \$10 a month free for this service. I cancelled this service, and they refunded the \$10 fee.

SOCIAL MEDIA – Orey Yates

Not present – no report.

PUBLIC ART – Sue Gridley

Not present – sent in writing prior to the meeting

We have between 13-15 folks registered as exhibitors and a few more in the wings.

1. If ANY of you would like to send a note with links to possible participants, I can send you a copy of what I sent out and it will be easy to share. Please invite artists and volunteers! The links include the Alliance notice and registration page, and 2 articles published in the Sentinel that need to get more circulation.
2. We have road signs picked out. I need to get the price so far from William. We need to price a banner to put at 136 and 59, and possibly a few larger road signs.
3. I hope that the Tourism committee especially can help us as we get into the home stretch. This can be a tourism boon and we can work together!
4. We need VOLUNTEERS! Jayne is working on getting some in the community, but we really need more people to help direct visitors and help clean up after the show at 5.30.
We are closing off the kitchen area so there will be no need to clean there. And we might want a few people to place signs.

Ken Pennington will be doing a book signing for his books **The Rocketeers**, as well as sharing a table with Becky where they both will have art to sell.

Jayne is working on finding volunteers and has checked with Covenant College. We may also check to see if the high school can give volunteer hours to students, but they won't be back in school until a week or two before the show.

We need many directional signs and at least one banner for display on 136 at the interstate. We also need signs at the entrances to the show, including a fairly large one at Bond and 11. We are checking on the cost of having these made.

An article appeared in the Dade County Sentinel on July 6th about the history of art in the region. More articles are planned. Links can now be sent to potential exhibitors from the Sentinel interview article of June 16 and today's article. We plan to have feature articles about our artists and crafters - with photos - soon.

We need to work on press releases and sharing articles with other sources. WUTC, Evan Stone, and social media were all discussed. If anyone can help by giving suggestions of what to use, links to it, people who could help -- all are greatly needed.

We need to decide whether to stream music during the event. That will depend a bit on acoustics.

We are looking for sponsors and concessions but need to see how many exhibitors will be coming (guesstimate) to finalize.

The **next meeting** of the committee will be Wed July 13 at 1PM at the Community Center, when we will tour the venue and measure and plan the organization of the room.

Jane Dixon noted that the Plum Nelly Depot Art Show is the same day as the Optimist Club Golf Event – which is sold out. She said the Optimists would help promote the art show by letting attendees at the golf outing know about it.

TOURISM – Charity Barton

Charity spoke with Cindy Bailey from 365 Total Marketing. Cindy worked with a Chamber of Commerce for 25 years, so has a strong grasp of our needs. Cindy sent a quote for an all inclusive (design, print, and delivered to us) map. She included three different price points depending on the number of maps that we would like to buy. We would then be responsible for getting these maps out to our attractions, accommodations, restaurants, etc. Cindy's timeline for this process is 2-3 months.

Quote*:

SIZE: 11" x 17"

PAPER: 60# Offset

Pads of 50

5,000 Pad Maps	\$6972
10,000 Pad Maps	\$7500
15,000 Pad Maps	\$8489

Charity has also emailed Eli at PSP Group in Monroe in order to receive a second quote but has not yet received a response.

George informed Charity that the Alliance has received funds for tourism efforts. So the tourism committee will meet this Thursday at 6 in the DCHS media center to prioritize goals/ideas for how to best utilize these funds. Please feel free to join us!

Next Steps:

- Order tourist maps for Dade County.
- Determine the parameters of the new funds.
- Prioritize needs for tourism projects.

Marcy made a motion, seconded by Stacey Prater, that the board approve up to \$8,000 for the development and printing of tourist maps and that the Tourism Committee will make the decisions as to which businesses/attractions will be included and how they will be identified. All board directors present approved.

DRUGS DON'T WORK – Stacey Prater

Stacey shared that we have not had anyone sign up for the DDW program yet. She will set up appointments with the HR directors at local businesses and Stacey and George will visit with them face-to-face to explain the benefits available through the Alliance – DDW, Anthem BCBS, and 401K programs. William Back noted that he has a list of all the HR people in the Business Park that he will share with Stacey.

DADE EXPO – Jolly Holidays! – Harry Abell

Not present – sent in writing prior to the meeting

A meeting scheduled for July 12 will be rescheduled for the following week.

Based on the pro forma that Marcy generated the costs for an exhibitor has been established at \$60 with a 50% reduction if the person is a member of the Alliance For Dade. It is thought that the large discount may encourage a home-based business to join the Alliance. Most of the exhibitors last year were home based businesses. With this change the pro forma shows a small loss for the event. Discussion from the last meetings were if we make money, we could consider some type of refund.

Marcy has updated the website to show the current information and we already have had some signups.

WEBSITE – Harry Abell

Software was purchased to facilitate the movement of us11antiquealley.org to us11antiquealley.com

Enhancements were made to the AllianceforDade.com website to accommodate Plum Nelly Depot Art Show and to provide for payment to be made online via a credit or debit card.

Marcy continues to update the website with pertinent information.

If you wish to enter your volunteer hours you can do that now by logging in here (<https://alliancefordade.com/portal/>) If you do not have a user ID let Harry know. If you have a lot of hours and want to enter them in a form (spreadsheet) I can upload those hours - contact Harry.

We continue to see hackers attempting to connect to our website and the software we have is preventing that.

MEMBERSHIP – Marcy Williams

Potentially 2 new Investors: Joshua Cain (individual) and Olive IT (home-based business). We have not received credit card payment – Marcy is following up.

Sent renewal invoices via US Mail to Lookout Pointe Apartments, Dade Library, Dade Health Dept., Smalltown Nutrition, Valley Vibes, MaDex, Discount Flooring.

Our \$10,000 contract with Dade County shall serve as their Investment fee in the Alliance for Dade, making them a Titanium Investor.

George explained that he made the decision to extend a 1-year complimentary renewal to Alfa Insurance as a measure of goodwill because they were unhappy with an incident involving the Alliance.

WELCOME CENTER – Marcy Williams

Titus’ recording shows Welcome Center visitors – daily percent to the total week:

Monday	11 - 5	16%
Tuesday	11 - 5	21%
Wednesday	11 - 5	16%
Thursday	11 - 5	17%
Friday	11 - 6	20%
Saturday	10 - 2	10%
Sunday	closed	

Titus Cartwright has informed all board directors that he is resigning his position as Tourism Ambassador effective July 23, 2022. Marcy suggested that we have an informal farewell luncheon for him on Saturday, July 23rd from noon to 1pm. She will arrange for a sandwich tray, soft drinks, and a card. All board directors are asked to please attend.

OLD BUSINESS

Alliance Live! videos. George had asked board members to send him their ideas about whether or not we should continue Alliance Live! and, if so, what we could do to improve them. The board agreed that the videos are well-received and we should continue them. Charity suggested that we could do a better job of sharing the videos on social media – who is seeing them?

NEW BUSINESS

Integer Volunteer Day. John Rollins explained that there will be a group of 20-25 Environmental, Health & Safety people visiting Integer’s Trenton location on a weekday in October. He is looking for ideas for a project that they could do for approximately two hours that would have a positive local impact. Several ideas:

- Cloudland Canyon State Park – talk to Brad Gibson, Park Manager

- Dade Senior Center
- Talk to Ted Rumley and Alex Case to see if they have any ideas

If anyone else has an idea, please email it to John.

Job Fair. George said he would like the Alliance to do another Job Fair at Dade County High School. September 17 was selected as the date and it was agreed that we would invite Dade County employers. Evan Stone said that Top of Georgia will participate. Charity asked if there was a way we could extend the event to Friday and Saturday and have the high school students attend on Friday. Or can we convince some of the employers to visit classrooms to talk about the opportunities available? George made a motion and Dorinda seconded, to approve up to \$500 to be spent on the Job Fair. All board directors present approved.

Lunch & Learn / After Hours Event. Discussion around a fall event – the board agreed to do an after hours event. We will ask three business leaders to speak, describing a time when their business had a difficult problem and how they resolved it. It will be scheduled for a Thursday night in October – possible event name: “Fright Night”.

William Back mentioned that Georgia Power and TVN are willing to provide speakers for business events.

TSPLOST. The county has asked the Alliance for Dade to help with educating the community about the upcoming vote on TSPLOST (Transportation Special Purpose Local Option Sales Tax). Board directors voiced some concern that when a list of applicable projects is presented, local residents expect everything on the list to be completed and are angry if it doesn’t happen. We do not want the Alliance name to be too closely associated with the project, as people will blame the Alliance, as well. We agreed to assist the county (Carey Anderson and Don Townsend are heading the education effort), while keeping the Alliance name low-key/ George made a motion, and John seconded, that the Alliance approve spending up to \$3,000 for TSPLOST education efforts. All board directors present approved.

OPEN FLOOR

No items.

EXECUTIVE SESSION

At 7:21 pm, George made a motion, and Charity seconded, that we move to Executive Session to discuss personnel matters. Evan Stone left the meeting and only board directors remained.

RETURN TO GENERAL MEETING

At 8:03 pm, Dorinda made a motion, and Stacey seconded, that the board exit executive session and return to the general meeting. All board directors present approved.

John Rollins made a motion, and Jane Dixon seconded, that the Alliance for Dade conduct a search to hire a Director of Tourism. All board directors present approved.

Stacey Prater made a motion, and Jane Dixon seconded, that the Alliance for Dade conduct a search to hire a President/CEO. All board directors present approved.

Stacey Prater made a motion, and Dorinda Moon seconded, that the Alliance for Dade establish a hiring committee consisting of Charity Barton, Jane Dixon, and George Williams. All board directors present approved.
