Forbes

Over the last decades of analyzing digital trends, I've never seen such a profound shift in how businesses connect with their customers. hello @ginamarisa.com

My name is Gina

My journey toward wellness began when I discovered I was in renal failure, leading to a kidney transplant nearly 30 years ago. This experience motivated me to prioritize my health to honor the gift of my donated kidney. Since then, I have gained extensive knowledge and education on healthy and holistic stress management techniques tailored for busy professionals. I understand the unique challenges of balancing demanding careers, family responsibilities, and personal well-being, and I'm here to help you find effective strategies to reduce stress and enhance your overall quality of life.

SEVA ADULT DAY CARE

The University of Georgia Small Business Development Center (UGA SBDC), helped Poonam Datta create a thriving adult day care center and then, thanks to continued support from UGA SBDC, she expanded into two other areas, including home care and structured family care. Each service area has experienced strong growth and UGA SBDC remains a valuable partner for Datta as her business continues to thrive.

“The UGA SBDC really gives us clarity,” said Poonam Datta. “Working with SBDC helps us know when to move forward and when to take a step back. It shows us what decisions are right or wrong for our business.”
